

# The Uptown Music Collective's ANNUAL CAMPAIGN

[www.uptownmusic.org](http://www.uptownmusic.org)

“The Collective makes me feel like I am a part of something special, something that I know most people will never experience in their lives. Some of my friends from school ask me how much time I put into Uptown, and I tell them the truth - it’s a lot.

They often look at me and say I’m crazy or say nothing is worth putting that much time into, but I will never forget my first time on the CAC stage and that feeling, alone, is worth all of the time in the world.”

- Gianna Waldman 17, Senior, Montoursville Area High School

# HELP SUPPORT THE UPTOWN MUSIC COLLECTIVE

“The steps we take today will shape the lives of young musicians for decades to come. I hope you’ll join us in this essential work. Together, we can ensure the Uptown Music Collective remains a place where passion is nurtured, potential is realized, and lives are forever changed through the power of music...

Every note played, every lesson learned, and every connection made here is a step toward something greater. **Your support isn't just a gift—it's a legacy.**”
